INTERIOR:

This interior was completely refurbished in 2009, in a luxury level far beyond most CJ's. All of the original Cessna Formica was removed, and replaced with a deep, high-gloss wood veneer throughout. The cream-tone leathers, headliner and pleated shades all remain in excellent condition, creating a comfortable sky-office.

EXTERIOR:

The exterior was also refinished in 2009 in a brilliant

Matterhorn white accented with sweeping autumn tones, and remains in very good condition.

Fresh Doc 10 from Stephens October 2017.
